

In the Supreme Court of the State of Alaska

Jigliotti Family Trust,
Appellant,

v.

**Donald Bloom, Deborah Bloom, and
John Moore,**
Appellees.

Supreme Court No. **S-17614**

Order

Date of Order: **4/1/20**

Trial Court Case No. **3PA-12-02262CI**

Appellee Deborah Bloom has filed a motion to supplement the record and stay the briefing schedule pending supplementation of the record. Ms. Bloom states that attachments BBB and CCC to the defendants' closing argument are missing from the paper and electronic record on appeal, that she needs those attachments for her reply brief, and that she does not have copies. Ms. Bloom does not describe the missing attachments or explain why they are important to the arguments in her reply brief. The court notes that the defendants' written closing argument, signed 2/28/19, does not appear to refer to any attachments BBB and CCC (although it does refer to an attachment AAA, identified at page 22 as the plaintiff's Amended Witness List). If documents are missing from the record, the court cannot recreate them.

On consideration of the motion to supplement the record and stay briefing pending supplementation of record filed 3/21/20 and the opposition filed 3/26/20,

Jigliotti Family Trust v. Donald Bloom, et al.
